

Become a **Certified Boundary Consultant**

Unspoken Boundaries®

This practicum and series of modules are designed to teach you the skills necessary to communicate the skills and awareness that make up Unspoken Boundaries workshops.

Prerequisites:

- Successful completion of the Boundary Master course

Course Structure

- Observing at least three Foundation workshops: one Boundary Sentinel, and two Boundary Warrior workshops.
- Teaching various exercises and giving lectures in Boundary Sentinel and Warrior Workshops after additional modules taken and observations completed.
- Successful completion of all skills modules.

For More Information:

Unspokenboundaries.com/consultant

The final project to complete and graduate from the program requires successfully conducting a full workshop under observation, with instructor feedback. The supervised workshop will have a minimum of four participants, but no more than six.
