Unspoken Boundaries®

- The skills and awareness taught in the Boundary Warrior workshop are essential for maintaining and repairing energetic boundaries.
- The Boundary Master Workshop offers the opportunity to reinforce and solidify the previously learned skills and awareness. It will allow you to share this information with clients and others with confidence.
- The Workshop will provide both a review as well as testing, with feedback on your development of the various skills.
- Completion of Boundary Warrior workshop is a prerequisite for this workshop. Allow at least a month between workshops so that you have the experience of practicing the use of the tools in your daily life.
